## Re: Application for Apprenticeship Software Engineer

Dear Hiring Manager,

It is with great pleasure that I submit my application to be considered for Apprenticeship Software Engineer with Just IT. I have been seeking a position like this and believe I possess all the experience and skills to make this role a success.

During my studies I acquired a valuable understanding of the coding and developed essential skills in communication, decision making and collaboration. I have worked hard to prepare for this role and am excited to build a long and successful career in the field.

Please reach out with any questions about my work history and capabilities. I'll be happy to expand on any experience, skills and how I can meet your needs.

Sincerely,  
Aziza Yalda Shirzad
